## About Global Influencers, SSDS & the Founder

**Global Influencers** is an international network of Ekklesias and ministry training centres, called to steward and release an advanced exposition of the Gospel of the Kingdom, and to restore Kingdom culture from grassroots to government in the villages, cities, regions, and nations of the world.

**Sanctuary Supernatural Discipleship School (SSDS)** was the forerunner school of ministry to Global Influencers. It was birthed from a Heavenly vision that showed God's heart's desire to raise up end time leaders and disciples of Jesus, who were passionate to know Him and every beat of His heart; to access the Throne Room of Heaven; and take the treasures received there into the darkest corners of the world - with eternal and supernatural fruit resulting. SSDS focuses on developing the inward call through understanding how to form Christlike, supernatural character, which is so vital for the success of the outward call.

**Steve Harris** is the founder of **Global Influencers** and **SSDS**. He has walked with Jesus since 1987. He has worshipped with ministers such as Ron Kenoly, Pastor Benny Hinn, and Olivia McClurkin. He has taught the Word of God and preached the Gospel in many nations of the world, with souls, healing, deliverance and creative miracles often accompanying the message.

As the founder of **Outpouring Ministries** (an organisation that exists to make a difference in a world full of desperate need), Steve has established mercy ministries in developing nations, constructing wells, computer & sewing schools, and safe houses for women and children at risk.

He is also the founder of **Global RestoreNet**, has produced 3 worship CDs, and is commissioned by the ARC Global, H.I.M. and Full Gospel Australia networks.

Supernatural Discipleship School

**What is SSDS ? SSDS stands for *Sanctuary Supernatural Discipleship School*.**

*SSDS was the forerunner school of ministry to Global Influencers. It was birthed from a Heavenly vision.*

*The vision showed God's heart's desire to raise up end time leaders and disciples of Jesus, who were passionate to know Him and every beat of His heart; to access the Throne Room of Heaven; and take the treasures received there into the darkest corners of the world - with eternal and supernatural fruit resulting.*

*Whereas Global Influencers focuses on the transformation of nations from grassroots to government through Christlike function, SSDS focuses on developing the inward call through understanding how to form Christlike, supernatural character. This is vital for the success of our outward call, which will fail without inward surrender.*

*A full and detailed breakdown of each curriculum subject is located on the Global Influencers website.*

## 04 - LEADERSHIP

### **The Tests of Ministry Preparation– Divine Examination of The Christian Leader's Heart**

*The Bible clearly teaches that God tests and tries every ministry which He uses in His kingdom.*

*When we say that God tests a leader,  
we mean that God:*

*– Uses any means which He Himself knows will determine the presence, quality, or genuineness of His call on someone's life.*

*– Assesses and examines the true inner attitudes and motives of those whom He calls, to show whether they are pure or not.*

*– Puts those He calls into difficult situations which will refine them spiritually.*

*If you truly desire to serve the Lord, in whatever capacity He assigns you, He will use a variety of character tests to build you and grow you.*

*These sessions will both challenge and encourage you, and also strengthen you through the impartation of revelatory understanding of the deeper ways of God.*

*“Let them first be proven (tried, investigated)”*
